## ***A Message from Vicar Deb***

*For all who are led by the Spirit of God are children of God. For you did not receive a spirit of slavery to fall back into fear, but you have received a spirit of adoption. Romans 8:14-15*

Adoption or Slavery? Trust and Love or Fear and Intimidation? And a 1979 Mercury Capri – You might wonder what these things have to do with each other?

It was December 1980 and somehow we, who never had fun sports cars, adopted a sports car into the family. You might wonder who adopts cars? Well, my family does. Once cars come to us, we take care of them and treat them almost like anyone else in the family. They get new tires and brakes when theirs are worn out (much like we might get new to us clothes). They are washed and filled with fuel (given baths and dinner). They are adopted. We as children of the family were able to help take care of them and once we were old enough, we could drive the car.

A couple of years later, I had my license and Dad's blessing. I was able to take this special car out when I went cruising with my friends, when I did errands, and even when I went to work at the grocery store. Dad always reminded me of the rules: Be safe, be smart, AND you are more important than the car. I knew that if somehow I got a scratch on it, or mud on it, or banged it up in any way, I'd get to help fix it. I'd be responsible. I also knew that Dad would not be happy with me if that happened, and he'd also be there beside me helping me out of my jam.

Dad and Mom trusted me as I went out and about to "follow the rules" and to stay safe. When I think of the Spirit of Adoption that Paul is talking about to the people in the book of Romans, I think of this spirit of adoption that Mom and Dad shared with me. Although Mom and Dad trusted me, they may have also suspected that something might happen as I went out and about with my high school friends. I was after all a teenager who was just learning about life. I did get the car dirty, I did drive it too fast and cause things to break, I did slide it off the road and get it banged up. I followed the rules, but was not a slave to them. If I couldn't quite keep the rules, I was not fearful of what might happen. I was never afraid of being separated from their love.

Our God is like that – Our God loves us so much that we are adopted into the family of all believers without any action on our part. We are given life through The Holy Spirit who leads and guides. When we slip up, when we fall away from God, when we put ourselves first, we need not fear. We need not fear that we will be separated from God, because God never leaves. The Holy Spirit is upon us leading us and guiding us along the way.

Do not fear – You are free to go and learn and love and be a child of God. Go live into your gifts, be led by the Spirit and share God's love with the world. Go drive that fun car – go cruise around town – go get a little messy! Go and be led by the Spirit! *Vicar Deb.*

### **First English's Stewardship Corner:**

Where is the Holy Spirit working in our community?

**Thank:** Thank you to all who helped with the chicken dinner fundraiser. Thank you to those who sold tickets, who worked to make and distribute the dinners and to those who bought them.

**Ask:** Where are you being led? Are you being pulled to try something new in God's love? What's holding you back?

**Support:** Please consider donating time or money to the Family Life Center. They provide valuable help to women and young families. <https://www.flcac.com/supporters>

**Service:** Come and help pack meals for Kids Against Hunger on June 11. There will be fellowship and fun as we pack nutritious meals for those who don't have enough to eat.

**Prayer Practice:** Do you ever find yourself waiting. Waiting for test results, waiting for things to be decided, waiting to see your family, waiting?

We often want things done on our time and become impatient or frustrated when it's not. During those times help us remember that we are children of God, led by the Spirit. In these times we can use the fruits of the Spirit as a prayer guide. Gal. 5:13-15

Dear Jesus,

I **love** you because \_\_\_\_\_

I have **joy** because \_\_\_\_\_

Give me **peace** when \_\_\_\_\_

Give me **patience** when \_\_\_\_\_

Help me be **kind** when \_\_\_\_\_

Help me be **generous** to \_\_\_\_\_

Help me be **faithful** even when it's hard to \_\_\_\_\_

Help me to be **gentle** with \_\_\_\_\_

Help me keep my **self control** when \_\_\_\_\_ Amen! (Let it be so!)

### **Vicar Deb's Seminary Experience:**

Thank you all for supporting me and praying for me as I attend Seminary.

I am now officially halfway through. This semester I am studying Greek, Christian Witness & Mission in the world, Christian History, and 20<sup>th</sup> Century American Theology. I'll be away from June 7-18 on a mini retreat & check in with our advisors and taking intensive classes (That means we are in class all day for 5 days in a row). I'm looking forward to sharing what I'm learning with you. Thank you for your prayers of support.

## Thank You's

Dear First English Members,

Thank you so much for your many years of supporting our Weekend Meals Program at Wapak Middle School. We literally couldn't have done it without you. 😊

We greatly appreciate all of the hours you dedicated to providing meals for our needy students. We just can't thank you enough!

Kristi Fisher, Wapak Middle School

Dear Bailey, Makayla, Doris, Matt, Carlee, Maeson, Kenzie, Luke, Harry, & Eli,

Thank you so much for the beautiful flowers. The color red is always good for Buckeye fans. What a pleasant surprise!

God Bless You,  
Ike & Jeanie Schnell

What a wonderful surprise! Thank you all so much for commemorating my 50 years as choir director. I am blessed to be part of the FELC family, and I am thankful to have had so many men, women, and youth sing in the choir over the years. I have many memories of Sunday morning anthems, festivals, caroling parties and good times, and I'm sure those people who sang at one time, and those who are still singing, also remember. Although church choirs everywhere have changed, we are fortunate to have a dedicated group of ladies that are still willing to give of their time to provide choral music for our Sunday services. And I am only too happy to help them do it! In fact, if any of our men, young or old, would like to join us, we would be overjoyed to sing four-part music again. I can't thank you enough for giving me 50 years to praise God with the music I love.

God bless you all. Susan
